Affiliation has its benefits!

- Affiliate E-Exchange for easy access to an online library of resources and ready-to-use tools and templates to save you time, inspire ideas, and enhance effectiveness.
- Access to national impact data to further enhance your credibility with alliance metrics highlighting our shared mission.
- Professional development through monthly educational webinars on topics that enhance operational effectiveness, such as fundraising, governance, volunteer engagement, technology, marketing, leadership skills, and more.
- Monthly Alliance forum highlighting collaboration, partnership, and a shared sense of purpose through discussion of key topics.
- Monthly newsletter highlighting events, activities, better practices, and affiliate successes.
- Technical assistance to help with fundraising, grant writing, marketing, board development and training, volunteer recruitment, building partnerships, nonprofit administration...all just a phone call away!
- Access to marketing and branding resources such as affiliate badge and logo as well as the use of branded templates.
- Infographics to communicate the value your affiliate brings to your community and the Aging Forward Alliance impact on the lives of older adults.
- Preferred pricing on partner services/products, including software options for managing participants, volunteers, donors, activities and events, mass email communications, and more.
- Regional and national meetings of affiliate leaders—staff, board and volunteers—to share ideas and network with colleagues. Affiliate registration is a fraction of the true cost.
